# ABOUT US

Founded with a passion for celebration and a keen eye for detail, Gift Bae emerged from the idea that every occasion deserves to be honored in style. We believe that the perfect gift has the power to create unforgettable memories, strengthen relationships, and bring immense joy. At Gift Bae, we don't just deliver gifts – we create memorable experiences.

## MEET THE FOUNDER

Hi there! I'm Michelle, the proud owner of Gift Bae. My journey from beauty salon owner to gift box curator has been nothing short of transformative. Through my 14 years of being in the beauty industry, I learned the art of personal connection and the importance of making every client feel cherished and valued.

This invaluable experience has inspired me to infuse the same level of care and attention to detail into every Gift Bae creation, ensuring that each box tells a story and sparks joy in the hearts as we deliver the perfect hand off.
